New Business:

- Review of survey results (a few highlights have been added)

What is the maximum amount you're willing to pay for dinner if we have our meetings at a restaurant? (this total would include tax and gratuity)

21 responses

If we continue at restaurants would you prefer to have 3-4 options to choose from or be allowed to choose off the menu (then you set your own price).

21 responses

For future planning several people would prefer to pick from the menu if the venue will allow that.

- Annual Auction and Brunch
 - Possibility of offering Lamda members ½ price for attending the brunch. -Lisa
 - If they want to come do you think they would just pay the \$20?
 - Lisa has created a draft letter for Lambda to reinstate their membership with Gamma Epsilon to send with the brunch invitation.
 - We will leave it for them to pay the \$20 if they are truly interested they will pay that for them.
- Questions or concerns
 - A lot of the older members do not like to drive at night. So can we think about carpooling or possibly doing appetizers and an earlier meeting.

- Amber would be willing to set up a zoom link for members as well that might not be able to make the meeting in person.

Good News for World Fellowship (Lisa)
