Nomination of Officers for 2021-2022

*The nominations committee was alerted to the openings for next year's office. We needed to fill those spots for the next year. Joyce sent out a call of nominations to ensure that we are covered. Lisa and Joyce went through the bi-laws to determine if we needed an election. We do not need to have another vote- the president is asked to appoint people to the position. Cindy will be appointing co-presidents, one treasurer and a recording secretary.

Morgan will continue to be the corresponding secretary. In January we will begin the nominations for 2022-2024 year. The call for nominations will go out in January or February. Slate is presented in March- we vote in April and install officers in May.
